

---

With complete support for **Discom** Net Metering, **Government Subsidy**,  
Raised **SuperStructures** or more, SolarSmiths have a system for  
every environment.

### JUST A FEW OF OUR RECENT INSTALLATIONS

Design, Engineering, Procurement and Construction of 25kWp Net Metered solar  
Power Plant for CM Patel Hospital, Shahdra, Delhi.

Design, Engineering, Procurement and Construction of 12.5kWp Net Metered Solar Power Plant for Commercial Sector in Lajpat Nagar, Delhi.

*Warm wishes from Team SolarSmiths,*

Government of India has initiated **Anti-Dumping Duties** on the solar products. We foresee that the cost of the system will increase by 30% and **Subsidies** may end soon.

Contact us today before Price Increases & end of Government Benefits !
